Okay - sorry for the multiply invites however, it makes more sense to have a Live Meeting rather than Audio Meeting. Information on how to call into the Live meeting is provided below.

Good Morning All,

To help clarify any questions EPA and or ADEC may have regarding Shell's geotechnical survey plans for 2014 and beyond in support of our NPDES / APDES permit application. Shell will be presenting presentation of how our geotechnical soil boring survey program works, what technology, methodology and equipment we plan to use in the survey.

The meeting will be held in the Frontier Bld - conference room 1327 and for those of you who can 't make it in person you may call the conference call in number provided below. I'll forward the power point presentation to everyone prior to the meeting time.

Tentative agenda:

- Definition of Terms
- Objectives of 2014 Geotechnical Surveys
- List of Permits
- 2014 Chukchi Sea Geotechnical Survey Area
- 2014 Beaufort Sea Geotechnical Survey Area
